

**CURRICULUM COMMITTEE  
DEPARTMENT OF ELECTRICAL AND COMPUTER ENGINEERING  
IOWA STATE UNIVERSITY  
UNDERGRADUATE STUDENT PETITION**

**General Statement.** The ISU Catalog, issued every year, prescribes the requirements for baccalaureate degrees in Computer Engineering and Electrical Engineering. From time to time, a student may wish to request a substitute for one of the requirements or to have accepted a request for a curricular plan that meets individual needs. A petition is by definition an individual request. It is not precedent setting. Both the action requested and the reasons, therefore, are considered when decisions are made. Students submitting petitions are encouraged to be complete in responding to the questions asked. Petitions must be submitted electronically through one of the advisors in the Student Services Office to the Chair of the Curriculum Committee.

1. Name:

2. Cpr E  or EE

**3. Projected Graduation Date:**

4. Catalog: 12-13  13-14

14-15

#### **5. Advisor Forwarding Petition:**

16-17  17-18
